RE: Notice of Business Closing

Dear Members of the Dislocated Worker Unit:

Pentair will be permanently closing its manufacturing facility at 20580 Enterprise Ave., Brookfield, WI 53045 and distribution center at N25W23040 Paul Road, Pewaukee, WI 53072. The closure has been prompted by the company's decision to consolidate the manufacturing and distribution center to other Pentair sites.

This action is expected to result in the permanent elimination of 210 positions. Pentair expects to begin eliminating positions on November 1, 2022 and will continue in phases until complete closure on April 1, 2023.

Employees are not represented by a union and there will not be any bumping rights for the affected employees.

Attached is a list of the job titles, number affected within each job title, and the anticipated layoff date for the employees.

The company will ensure that employees will be paid all earned wages and agreed upon benefits at the time of their termination.

If you have any questions or need additional information concerning this matter, please contact Gabi Randle, Senior Human Resources Manager, at email: gabi.randle@pentair.com or TEL: 763-203-5518.

Sincerely,

A handwritten signature in black ink that reads "Gabi Randle".
