Re Announcement of Planned Action

Dear Sir or Madam:

We are writing to inform you that the Biomat USA, Inc. facility located at 2053 22nd Ave., Kenosha, WI 53140, will close on November 11, 2022. The entire facility will be closed and all employees at the facility will be affected. This closure is expected to be permanent. The expected date of the first separation will be November 11, 2022.

All affected employees have been notified of their separation dates and that their separation from employment will be permanent. All separations accomplished by January 19, 2023.

The following is a list of the job positions and number of individuals who will be affected by the plant closure along with the anticipated schedule for job losses:
