Re: WARN Notice of Facility Closure

To Whom It May Concern,

Please accept this letter as our formal notification to you that Hubbell Gas Utility Solutions, Inc. (the "Company") will be permanently closing its manufacturing facility located at 16875 W. Ryerson Road, New Berlin, WI 53151. Employee separations related to this facility closure that are subject to WARN, are expected to begin on or about March 7, 2023, and end on or before September 1, 2023. This closure is occurring as a result of the Company's decision to consolidate the business in other Hubbell facilities in the United States.

There are a total of 106 employees in the Company at the New Berlin, WI location. Enclosed as Exhibit A is a listing of the job titles of the positions impacted and the number of affected employees in each job classification. All employees were notified of the anticipated closure on January 4, 2023 or January 5, 2023 and affected employees will be notified of their individual anticipated separation dates.

The facility's employees are not represented by a union. Bumping rights will not apply for employee separations as part of this facility closure.

If you have questions regarding this change, please feel free to contact me at (918) 809-1829 or email at [SLSherman@hubbell.com](mailto:SLSherman@hubbell.com).

Very truly yours,  
Shari Sherman  
Director of Human Resources
