RE: WARN Notice of Plover, Wisc. plant closure

The Biery Cheese Company ("Biery Cheese") provided notice of its Plover, WI plant's closing on February 1, 2023. For reference the subject plant is located at the following address:

- 4930 Hayes Ave, Plover, WI 54467

It has come to Biery Cheese's attention that while the plant's closing remains on schedule, the sale of the property will likely not be complete by the previously stated dates of April 2, 2023 through May 30, 2023. For this purpose, Biery has extended the employment of four (4) employees for the purpose of overseeing the property until such time as the property's sale has closed. The following employees will be affected by the extended closure:

- Kelly Staven
- Thomas Worlund
- Robert Schmidt
- Kevin Anglemyer

The new date of separation for these employees will be no later than June 1, 2023.

For further information, you may contact:

- Natalie Seesan, Director Human Resources, Biery Cheese Company
