Re: Amended Notice - Mass Layoff for Elkay Interior Systems (EIS)

Dear Wisconsin Department of Workforce Development Dislocated Worker Unit:

Elkay Interior Systems (EIS) writes to amend its previous notice regarding a Permanent Facility Closure which was provided to this Department on May 1, 2023, and attached hereto. We are pleased to report that, due to unforeseen improvements in business circumstances, EIS will no longer be undergoing a facility closure but instead will be undergoing a mass layoff event.

This Amended Notice incorporates by reference all information contained in EIS' May 1, 2023 notice with the following amendments:

1. The previously noticed permanent facility closure has been adjusted to a permanent mass layoff.
2. Total Number of Impacted Employees: 48
Attached is the list of job titles, and number of affected employees within each job title, and anticipated permanent layoff dates.
3. All affected employees have been notified of their separation dates and that their separation from employment will be permanent.

All questions should be directed to Kevin Reiman in accordance with the contact information provided in EIS' May 1, 2023 notice.

This Amended Notice, including EIS' May 1, 2023 notice that is incorporated by reference, constitutes notice under the Federal Warn Adjustment and Retraining Notification (WARN) Act as well as the Wisconsin Business Closing and Mass Layoff Law regarding mass layoff events.

Best regards,

Tony Lutz
President and CEO
