Re: Notice of Closing and Layoffs

Dear Members of the Dislocated Workers Unit:

I am writing to update information that was previously provided to you by correspondence, dated June 16, 2023.

Diversey, Inc. ("Diversey" or the "Company") will be permanently closing the entire manufacturing section of its Watertown Plant located at 316 Hart Street, Watertown, WI 53094 (the "Facility"), effective December 31, 2023 and expects that the employment of 41 employees working at the Facility will cease. The Company expects the office section at the Facility will continue to operate, however. The closure of the manufacturing section at the Facility and associated layoffs and/or employment separations will commence on December 31, 2023, or during the 14-day period beginning on that date.

None of the affected employees are represented by a collective bargaining representative. There are no "bumping rights" available to any of the affected employees in connection with these plans. A list of the affected job titles and the number of employees in each position affected is being provided as **Attachment A**.

In the event these plans may be covered by or subject to federal, state, or local advance notice requirements, this letter is intended to fulfill those requirements with respect to the addressees. We do not concede or admit by providing this letter that notice is required.

We are providing this letter based on information that is currently available to the Company. Should any of the information above change, we will update this notice as soon as practicable. If you would like additional information, please do not hesitate to contact Michelle Zache at 920-285-4067, or by email at michelle.zache@diversey.com.

Sincerely,

Jennifer Wood
