Re: Notice of Plant Closing and Layoffs

Dear Wisconsin Department of Workforce Development:

Regal Rexnord Corporation (the "Company") will be permanently closing its entire facility located at 4800 West Mitchell Street, Milwaukee, WI 53202 (the "Facility"), effective November 15, 2023. In connection with these plans, the Company expects that the employment of all 54 employees working at the Facility will cease and the first 20 layoffs and/or employment separations will take place on or about November 15th, 2023, or during the 14-day period beginning on that date. The Company expects an additional 34 layoffs and/or employment separations will take place on November 30, 2023.

We expect the closing to be permanent in nature. This closing will involve cessation of all manufacturing operations and termination of all employees at the site. Employees slated for layoff do not have bumping rights.

In the event these plans may be covered by or subject to federal, state, or local advance notice requirements, this letter is intended to fulfill those requirements with respect to the addressees. We do not concede or admit by providing this letter that notice is required.

We are providing this letter based on information that is currently available to the Company. Should any of the information above change, we will update this notice as soon as practicable. If you would like additional information, please do not hesitate to contact Lauren Christensen, Human Resources Business Partner, at 262-716-2069.

Sincerely,

Lauren Christensen
