Re: **EYM Chicken of Wisconsin, LLC DBA KFC ("EYM")**

To Whom It May Concern:

This letter will serve as official notice under Worker Adjustment and Retraining Notification (WARN) Act that EYM Chicken of Wisconsin, LLC will permanently cease operations in Wisconsin due to the unforeseen business circumstance and not being able to reach a resolution with KFC. Because of the above, EYM started closing its restaurants starting Friday August 18, 2024, and we expect to close all 5 locations on or about August 31, 2024. The total number of employees being laid off is 81

No employees at this facility are represented by a union. A list of the job titles and number of affected employees in each Restaurant is attached as Exhibit 1. The information contained in this letter, including Exhibit 1, is based on the best information available to EYM at this time.

Should you have any questions concerning this matter, please contact Salvador Elias, Director, at 214-819-3800 or Salvador.Elias@eymgroup.com.

Yours truly,

Salvador Elias
