Re: Closure of Molson Coors Beverage Company's Tenth Street Brewery

Dear Members of the Dislocated Worker Unit,

Molson Coors Beverage Company (the "Company") has decided to cease production and permanently close its brewery located at 1515 N. 10<sup>th</sup> Street, Milwaukee, Wisconsin 53205 (the "Tenth Street Brewery"), effective on or about January 17, 2025. We are providing this notice to you to comply with any requirement that may exist under the Wisconsin's Business Closing and Mass Layoff Law (the "WBCMLL") and the Federal Worker Adjustment and Retraining Notification ("WARN") Act.

As a result of the closure, we expect approximately thirty-three (33) salaried and hourly employees at Tenth Street Brewery will have their employment permanently separated on or about January 17, 2025, or within fourteen (14) days thereafter. One salaried employee is currently anticipated to have their employment separated on February 14, 2025. In the event wind down operations require some of the affected employees to be separated later than currently anticipated, or if any other factors affect the plans and timing of impacts, you will be notified in writing of the changes.

Each affected employee was notified of the Company's plan and of the anticipated termination date this week. Notice is also being provided to the General Teamsters Local Union No. 200, which represents the impacted hourly employees. Contact information for the Local Union No. 200 is as follows:
