RE: Business Closing Notice

Dear Members of the Dislocated Worker Unit:

ProTec Dynatronix will be permanently closing its facility at 462 Griffin Blvd, Amery, WI 54001 which was prompted by the company's decision to consolidate its Amery, WI business to Mayfield, OH. Protec Dynatronix produced a portfolio of high-end DC, pulse, and reverse power supplies.

This action is expected to result in the permanent elimination of 53 employees – 14 salary and 39 hourly positions. Protec Dynatronix expects to begin eliminating positions on 04/28/2025 and will continue in phases until complete closure on 09/30/2025.

The company will ensure that employees will be paid all earned wages and agreed upon benefits at the time of their termination.

If you need additional information, please contact:

Mark Denny

Vice President Global Operations
