Re: Announcement of Planned Action

Dear Sir or Madam:

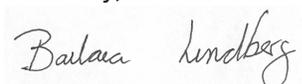

I am writing on behalf of Northland College (“Northland”) to give you notice that there will be a closure of Northland located at 1411 Ellis Avenue, Ashland, WI 54806, as an educational institution on May 31, 2025. This closure is expected to be permanent and will affect all employees, except those retained for a short period for regulatory and/or legacy purposes.

All affected employees have been notified of their expected separation dates and that their separation from employment will be permanent. A list of the job titles of the affected employees and the number of employees in each job title is attached.

There will not be any bumping rights for the affected employees, that is, employees will not be able to displace more junior employees out of their job positions as a result of this closure.

If you have any questions or want additional information concerning this matter, please contact Barb Lundberg at (715) 682-1202 or president@northland.edu.

Sincerely,

Barb Lundberg
Interim President
