RE: Notice of Business Closing

To whom it may concern,

Regretfully, this letter is being issued pursuant to the Worker Adjustment and Retraining Notification Act (WARN) and the Wisconsin Plant Closing Law to notify the Department of Workforce Development, Dislocated Worker Unit that StoneRidge Meat and Country Markets, Inc., grocery store "StoneRidge Piggly Wiggly", located at 975 E. Main Street, Wautoma, Wisconsin will be closing in September, 2025. The decision to close has been made to expand the StoneRidge Wholesale division, where we will be using the grocery store space for the expansion. This decision does not impact nor affect StoneRidge's other grocery stores in other locations.

We can add that all affected employees at the grocery store will be offered employment positions with the Wholesale division in Wautoma, with potential other employment opportunities at our other grocery stores located in other communities. While we recognize this may eliminate our need to provide notice of the change under the law, we believe providing notice is appropriate.

If you have any questions or require further information regarding this matter, please feel free to contact Jane Schaefer, 920-766-6080.

Sincerely,

A handwritten signature in dark ink, appearing to read "Duane Detjens", is written over a circular stamp.

Duane Detjens, President  
StoneRidge Meat and Country Markets, Inc.
