RE: Closing Notice of Operations Department

To whom it may concern:

This letter serves as official notice that Lakeside Curative Services will be implementing a reduction in workforce in accordance with Wisconsin's Mini-WARN Act.

The reduction in workforce is the result of a planned phase-out of the Operations Department. This decision, while difficult, was made to support the long-term financial stability of the organization and to preserve its mission. The reduction in force is limited to the Operations Department. **All community-based and mission-critical services provided by Lakeside Curative Services will continue without interruption and are not impacted by this action.** The organization remains fully operational and committed to serving individuals with disabilities in the community.

Lakeside Curative Services will be permanently closing its Operations Department at 2503 Lincolnwood Court, Racine, WI 53403.

This action is expected to result in the permanent elimination of 56 employees – 4 fulltime and 52 parttime positions. The company expects complete closure on March 6th, 2026.

Attached is a list of job titles, number affected within each job title, and the anticipated layoff date for the salaried and hourly workers.

The company will ensure that employees will be paid all earned wages and agreed upon benefits at the time of their termination.
