Re: Notice of Plant Closing and Layoffs

Dear Wisconsin Department of Workforce Development:

Regal Rexnord Corporation (the "Company") will be permanently closing its entire facility located at 5150 International Drive, Cudahy, WI 53110 (the "Facility"), effective June 30, 2026. In connection with these plans, the Company expects that the employment of all 70 employees working at the Facility will cease and the first 30 layoffs and/or employment separations will take place on or about June 5, 2026, or during the 14-day period beginning on that date. The Company expects an additional 40 layoffs and/or employment separations will take place on June 30, 2026.

We expect the closing to be permanent in nature. This closing will involve cessation of all manufacturing operations and termination of all employees at the site. Employees slated for layoff do not have bumping rights.

In the event these plans may be covered by or subject to federal, state, or local advance notice requirements, this letter is intended to fulfill those requirements with respect to the addressees. We do not concede or admit by providing this letter that notice is required.

We are providing this letter based on information that is currently available to the Company. Should any of the information above change, we will update this notice as soon as practicable. If you would like additional information, please do not hesitate to contact Ashley Sevener, HR Business Partner at 414-758-8224.

Sincerely,
