THE DIVISION OF VOCATIONAL REHABILITATION
AND THE DIVISION OF UNEMPLOYMENT INSURANCE

PARTIES: This Agreement is between the Division of Vocational Rehabilitation, (hereinafter, "DVR") and the Division of Unemployment Insurance, (hereinafter, "UI").

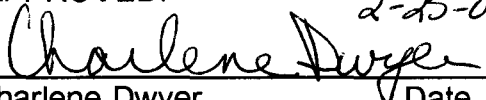

PURPOSE: To provide UI information provided by DVR consumers to verify that they (the consumer) are participating in a DVR sponsored training program leading to an employment goal.

EFFECTIVE DATES: This Agreement becomes effective from the date it is signed by all parties unless the parties agree to amend or terminate it sooner.

STATEMENT OF DELIVERABLES:

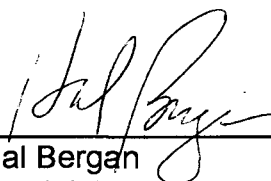

1. DVR will verify that DVR is sponsoring a consumer in a training program and type of training (certificate, diploma, degree, on-the-job training etc.) and the duration of the program.
2. DVR may release the information in sub. 1., as the DVR consumer has self disclosed to UI that they are sponsored by DVR to attend a training program and UI needs to verify this information in order to adjudicate the UI claim filed by the DVR consumer.
3. DVR can share information with UI in sub. 1, 2, and 3., as the receipt/continuation of UI benefits received by the DVR consumer will directly assist the DVR consumer in completing his/her Individualized Plan for Employment (IPE), and maximizing comparable benefits and services as allowed under 34 CFR § 361.53 (a) and (d) (2) (ii) and (3).
4. The information provided by a Licensed Professional Counselor or an employee of DVR, per terms of this MOU does not violate any Marriage and Family Therapists, Professional Counselor and Social Worker (MPSW) regulations of the credential holder or federal or state regulations.
