

Training Grant Payment Process - Fall 2015

September 2, 2015

NOTICE FOR DVR STUDENTS

The Department of Workforce Development including the Division of Vocational Rehabilitation (DVR) will begin to use a new billing system on October 1, 2015. Because of this change, there are going to be delays of some DVR training grant payments.

- The current DVR billing and payment system will be shut down from September 14-October 1.
- During that time, **no payments can be processed** including training grant payments.
- DVR staff will continue to process training grant payments until the shutdown starts.
- After October 1, payments will start again to the approved Private and Public Schools in Wisconsin.

Students who may be attending an approved out-of state school can have any purchase orders processed now.

DVR Consumers should make arrangements to cover school costs until the training grant funds can be disbursed by the school. This may not occur until mid-October.

Late Fees

DVR will cover the cost of any late fees that result in the later training grant payment. DVR consumers should share a copy of a bill showing the later charge to DVR **prior to November 15, 2015** so DVR can make a payment before the end of the fall term.

If you have questions about this notice, please contact your DVR Counselor.
