## **Civil Engineering**

#### **CIVIL ENGINEERING**

Civil Engineering youth apprentices contribute to the development, assessment, and design of highway, bridge, building, and municipal construction. Apprentices must adhere to industry safety and security standards.

**Length of Apprenticeship:** One year. Completion of the Engineering Drafting pathway is a prerequisite to this program.

#### COMPETENCIES

Youth apprentices must complete a **total of 11** competencies. **Ten** must be from the list below. If necessary, employers can substitute **1** competency with another occupationally appropriate skill. That skill should be added to the competency list for assessment.

#### **Competencies**

- 1. Interpret civil engineering technical drawings
- 2. Research code and site requirements
- 3. Contribute to site analysis with team
- 4. Analyze site measurements and data
- 5. Research structural requirements
- 6. Create material specifications
- 7. Design site structures
- 8. Draw a working site plan
- 9. Construct a bill of materials
- 10. Create a project plan
- 11. Support coordination of project activities

#### POST-SECONDARY PATHWAY OPPORTUNITIES

There are several post-secondary pathway opportunities in this area. The following is a partial list.

- Civil Engineering Technology
- Mechanical Design Technology

#### **EMPLOYABILITY SKILLS (TO BE COMPLETED BY YA EMPLOYER/MENTOR)**

Youth apprentices must demonstrate key employability skills.

The DWD YA program employability skills requirement may be attained and demonstrated through two processes. (See options listed below.) Employability skills must be completed for every year a student is in the program. The DPI Employability Skills Certificate may be counted as meeting one of those two years, provided the certificate is earned in the same year the student is enrolled in youth apprenticeship or they can complete the YA Employability Skills in the OJL. The Employability Skills Certificate must be obtained through the DPI.

1.	If a student has successfully completed a Wisconsin Department of Public Instruction (DPI)
	State-Certified Cooperative Education, Co-Op Employability Skill certification then they have met
	the YA Employability Skills requirement for that year. A copy of the student's DPI Co-Op
	Employability Skill Certificate must be maintained on file with their YA regional consortium.
	☐ Earned Wisconsin Employability Skills Certificate (checked if applicable) or,
2.	Completed and rated "Employability Skills" through this YA OJL guide as described below.

3	Exceeds Expectations: Exceeds entry-level criteria; requires minimal supervision; consistently
	displays this behavior
2	Meets Expectations: Meets entry-level criteria; requires some supervision; often displays this
	behavior
1	Working to Meet Expectations: Needs improvement; requires much assistance and supervision;
	rarely displays this behavior

The following skills are required of all youth apprentices.

#### **OCCUPATIONAL COMPETENCIES**

#### (TO BE COMPLETED BY YA EMPLOYER/MENTOR)

Youth apprentices must complete a **total of 13** competencies. **Eleven** must be from the list below. If necessary, employers can substitute **2** competencies with another occupationally appropriate skill. That skill should be added to the competency list for assessment.

#### **Rating Scale**

- 3: Exceeds entry level criteria | Requires minimal supervision | Consistently displays this behavior
- 2: Meets entry level criteria | Requires some supervision | Often displays this behavior
- 1: Needs improvement | Requires much assistance and supervision | Rarely displays this behavior

If any competencies are rated "1" on the final performance review checklist that is submitted to WI DWD it is considered a failed checklist.

Youth Apprenticeship

#### YA POST-PROGRAM COMPLETION SURVEY: EMPLOYER FEEDBACK

Employers complete the following information. YA Coordinators will enter this into the Post-Program Completion Survey.

YA Employer Post-Program Completion Questions		
	1	
Will you offer or have you offered the Youth Apprentice a continuing position	Yes	
with your company?	□No	
If continuing position offered to youth apprentice, did they accept?	Yes	
	□No	
If yes, please answer the questions below:		
Was the offer for full time or part time work?	☐ Full-time	
	☐ Part-time	
Title of the position offered:		
What is the wage of the continuing employment offer?		
If applicable, will the youth apprentice advance to a Registered Apprenticeship?		

#### YA POST-PROGRAM COMPLETION SURVEY: COMPLETED BY YA CONSORTIUM

The <u>Post-Program Completion Survey</u> form is to be provided to each student completing the Youth Apprenticeship program to capture information on the student's plans after leaving the program. This **form should be completed by the Youth Apprenticeship Coordinator** to capture information from all high school seniors and their employers after successful completion of the Youth Apprenticeship Program.

The form should be completed during the final meeting between the student, mentor, and Youth Apprenticeship Coordinator, when the final checklist or On-the-Job Learning (OJL) Guide is filled out and signed. Information captured on this form must be entered online using the Bureau of Apprenticeship Standards Electronic Records System (BASERS).

No part of this document may be altered, duplicated, or extracted without written consent from the Wisconsin Department of Workforce Development (DWD).

DWD is an equal opportunity employer and service provider. If you have a disability and need assistance with this information, please dial 7-1-1 for Wisconsin Relay Service. Please contact the Division of Employment and Training at 888-258-9966 and press 6 to request information in an alternate format, including translated to another language.
