

## MACHINING

Machining youth apprentices assist with basic machine operations, processes, and tools. Apprentices must adhere to industry safety and security standards.

**Length of Apprenticeship:** One or two years

## OCCUPATIONAL COMPETENCIES

Machining youth apprentices must complete a total of 16 competencies during year 1. All **7** Manufacturing Fundamentals Competencies must be completed in Year 1. No substitutions to this list. **Year 1** youth apprentices must also complete a minimum of **nine** of the 14 Machining competencies listed below. **Year 2** youth apprentices must complete **13** of the 14 Machining competencies using a minimum of one different process. In year 1 and year 2 employers can substitute up to **1** Machining competency with another occupationally appropriate skill. Substitutions must be added to the competency list for assessment. Note that where necessary, skills can be simulated.

NOTE: Students completing a 2-year machining processes youth apprenticeship must select a minimum of 1 different machining process than the first year and indicate it in the appropriate place on this guide.

**Document the Machining Process for each year in this guide.**

\*\*\*Students who completed a previous Manufacturing YA program do *not* need to repeat the Manufacturing Fundamentals Competencies.

| Manufacturing Fundamentals Competencies                                                                                                                                                                                                                                                                                                                                     | Machining Competencies                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |

## **REGISTERED APPRENTICESHIP BRIDGING OPPORTUNITIES**

---

The following Registered Apprenticeship is available in this area:

- Machine Repair

## **POST-SECONDARY PATHWAY OPPORTUNITIES**

---

There are several post-secondary pathway opportunities in this area. The following is an example.

- Precision Machining Technology Technical Diploma

# Machining

Youth Apprenticeship

## ON-THE-JOB LEARNING PERFORMANCE STANDARDS GUIDE

**(TO BE COMPLETED BY YA CONSORTIUM)**

### YOUTH APPRENTICE INFORMATION

|                       |                             |
|-----------------------|-----------------------------|
| Youth Apprentice Name |                             |
| YA Coordinator        | YA Consortium               |
| School District       | High School Graduation Date |
|                       |                             |

### REQUIREMENTS

#### Level One Requirements

Youth apprentices must complete ALL the items listed below. Check completed areas.

- ☐ Year 1 Competency checklist
- ☐ Employability Skills checklist (in this OJL Guide) or the DPI Employability Skills Certificate
- ☐ Related instruction equal to 1 high school credit or at least 3 college credits
- ☐ Minimum of 450 work hours

#### Level Two Requirements

Youth apprentices must complete ALL the items listed below. Check completed areas.

- ☐ Year 2 Competency checklist
- ☐ Employability Skills checklist (in this OJL Guide) or the DPI Employability Skills Certificate
- ☐ Related instruction equal to 2 high school credits or at least 6 college credits
- ☐ Minimum of 900 work hours

### HOURS

Record the hours the youth apprentice worked.

| Total Hours Employed | Company Name | Telephone Number |
|----------------------|--------------|------------------|
|                      |              |                  |
|                      |              |                  |
|                      |              |                  |
|                      |              |                  |

## RELATED INSTRUCTION

YEAR 1: Indicate which related instruction courses the youth apprentice completed.

| Dual Credit              | Course Number and Title | Credits | Instruction Provider |
|--------------------------|-------------------------|---------|----------------------|
| <input type="checkbox"/> |                         |         |                      |
| <input type="checkbox"/> |                         |         |                      |
| <input type="checkbox"/> |                         |         |                      |
| <input type="checkbox"/> |                         |         |                      |

YEAR 2: Indicate which related instruction courses the youth apprentice completed.

| Dual Credit              | Course Number and Title | Credits | Instruction Provider |
|--------------------------|-------------------------|---------|----------------------|
| <input type="checkbox"/> |                         |         |                      |
| <input type="checkbox"/> |                         |         |                      |
| <input type="checkbox"/> |                         |         |                      |
| <input type="checkbox"/> |                         |         |                      |

## SIGNATURES

---

The On-the-Job Learning Performance Standards Guide includes a list of competencies youth apprentices learn through mentoring and training at the worksite.

Instructions for the Worksite Employers/Mentors and School-Based or YA coordinators: This document should be reviewed with the employer/mentor, school-based or YA coordinator on a regular basis with the youth apprentice to record progress and plan future steps to ensure completion of the required competencies. Mentors, school-based/YA coordinator, and the apprentice sign below.

|                                              |                                              |

## EMPLOYABILITY SKILLS (TO BE COMPLETED BY YA EMPLOYER/MENTOR)

Youth apprentices must demonstrate key employability skills.

The DWD YA program employability skills requirement may be attained and demonstrated through two processes. (See options listed below.) Employability skills must be completed for every year a student is in the program. The DPI Employability Skills Certificate may be counted as meeting one of those two years, provided the certificate is earned in the same year the student is enrolled in youth apprenticeship or they can complete the YA Employability Skills in the OJL. The Employability Skills Certificate must be obtained through the DPI.

1. If a student has successfully completed a Wisconsin Department of Public Instruction (DPI) State-Certified Cooperative Education, [Co-Op Employability Skill certification](#) then they have met the YA Employability Skills requirement for that year. A copy of the student's DPI Co-Op Employability Skill Certificate must be maintained on file with their YA regional consortium.

☐ Earned Wisconsin Employability Skills Certificate (checked if applicable) or,

2. Completed and rated "Employability Skills" through this YA OJL guide as described below.

|          |                                                                                                                                 |
|----------|---------------------------------------------------------------------------------------------------------------------------------|
| <b>3</b> | <b>Exceeds Expectations:</b> Exceeds entry-level criteria; requires minimal supervision; consistently displays this behavior    |
| <b>2</b> | <b>Meets Expectations:</b> Meets entry-level criteria; requires some supervision; often displays this behavior                  |
| <b>1</b> | <b>Working to Meet Expectations:</b> Needs improvement; requires much assistance and supervision; rarely displays this behavior |

The following skills are required of all youth apprentices.

| Employability Skills                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | Rating                       |                          |                          |

## OCCUPATIONAL COMPETENCIES

### (TO BE COMPLETED BY YA EMPLOYER/MENTOR)

All 7 Manufacturing Fundamentals Competencies must be complete in Year 1. No substitutions to this list. **Year 1** youth apprentices must complete a minimum of **nine** of the 14 Machining Competencies. **Year 2** youth apprentices must complete a minimum of 13 of the 14 Machining competencies. During both year 1 and year 2 employers can substitute up to 1 Machining competency with another occupationally appropriate skill. Substitutions must be added to the competency list for assessment. Note that where necessary, skills can be simulated.

\*\*\*Students who completed a previous Manufacturing YA program do *not* need to repeat the Manufacturing Fundamentals Competencies

### Rating Scale

3: Exceeds entry level criteria | Requires minimal supervision | Consistently displays this behavior

2: Meets entry level criteria | Requires some supervision | Often displays this behavior

1: Needs improvement | Requires much assistance and supervision | Rarely displays this behavior

If any competencies are rated "1" on the final performance review checklist that is submitted to WI DWD it is considered a failed checklist.

## MANUFACTURING FUNDAMENTALS – Complete all competencies

### (TO BE COMPLETED BY YA EMPLOYER/MENTOR)

## YEAR 2 OCCUPATIONAL COMPETENCIES

### (TO BE COMPLETED BY YA EMPLOYER/MENTOR)

Select the Machining Process and circle the applicable year:

- ☐ Manual Machining (Drilling, Lathe, Grinding) completed during year: Year One or Two
- ☐ Mill/Lathe Combination completed during year: Year One or Two'
- ☐ CNC completed during year: Year One or Two
- ☐ Other: ☐ Year One or ☐ Year Two

#### Rating Scale

3: Exceeds entry level criteria | Requires minimal supervision | Consistently displays this behavior

2: Meets entry level criteria | Requires some supervision | Often displays this behavior

1: Needs improvement | Requires much assistance and supervision | Rarely displays this behavior

If any competencies are rated "1" on the final performance review checklist that is submitted to WI DWD it is considered a failed checklist.

| <b>Comments:</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                          |                          |                          |  |

# Post-Program Completion Survey

Youth Apprenticeship

## YA POST-PROGRAM COMPLETION SURVEY: **EMPLOYER FEEDBACK**

Employers complete the following information. YA Coordinators will enter this into the Post-Program Completion Survey.

| YA Employer Post-Program Completion Questions                                                    |                                                                          |
|--------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------|
| Will you offer or have you offered the Youth Apprentice a continuing position with your company? | <input type="checkbox"/> Yes<br><input type="checkbox"/> No              |
| If continuing position offered to youth apprentice, did they accept?                             | <input type="checkbox"/> Yes<br><input type="checkbox"/> No              |
| <b>If yes, please answer the questions below:</b>                                                |                                                                          |
| Was the offer for full time or part time work?                                                   | <input type="checkbox"/> Full-time<br><input type="checkbox"/> Part-time |
| Title of the position offered:                                                                   |                                                                          |
| What is the wage of the continuing employment offer?                                             |                                                                          |
| If applicable, will the youth apprentice advance to a Registered Apprenticeship?                 |                                                                          |

## YA POST-PROGRAM COMPLETION SURVEY: **COMPLETED BY YA CONSORTIUM**

The [Post-Program Completion Survey](#) form is to be provided to each student completing the Youth Apprenticeship program to capture information on the student's plans after leaving the program. This **form should be completed by the Youth Apprenticeship Coordinator** to capture information from all high school seniors and their employers after successful completion of the Youth Apprenticeship Program.

The form should be completed during the final meeting between the student, mentor, and Youth Apprenticeship Coordinator, when the final checklist or On-the-Job Learning (OJL) Guide is filled out and signed. Information captured on this form must be entered online using the Bureau of Apprenticeship Standards Electronic Records System (BASERS).

No part of this document may be altered, duplicated, or extracted without written consent from the Wisconsin Department of Workforce Development (DWD).

DWD is an equal opportunity employer and service provider. If you have a disability and need assistance with this information, please dial 7-1-1 for Wisconsin Relay Service. Please contact the Division of Employment and Training at 888-258-9966 and press 6 to request information in an alternate format, including translated to another language.
