**Objection Procedures:**

This notice is not appealable. The Federal Pandemic Unemployment Compensation (FPUC) paid to you was an additional federal payment of \$600 per week added to the other unemployment benefit payments that you received. You are receiving this notice because you were found to have been overpaid unemployment benefits and you must also repay the overpaid FPUC. The amount of the FPUC overpayment on this notice was calculated based on the weeks you were found to have been overpaid unemployment benefits and received FPUC. If you disagree with the decision that you were overpaid unemployment benefits, you must follow the appeal procedures shown on the related determination or the objection procedures shown on the related notice. If the time limit to appeal that decision has expired and you disagree with the calculation of the amount of the FPUC overpayment shown on this notice, please call a claims specialist at 414-435-7069 or toll-free 844-910-3661 or dial 7-1-1 for Wisconsin Relay Service. Hours of operation are available online at <https://dwd.wisconsin.gov/uiben/services.htm>.

**Repayment Procedures:**

**If you have filed for bankruptcy** then consider this as notice only and not a demand for payment. When your bankruptcy case is closed, any portion of this unemployment benefit overpayment debt not discharged shall become due and payable.

**If you are NOT currently claiming benefits, or if you stop claiming before your overpayment of FPUC is repaid,** you must make arrangements to repay the overpayment. Please make your check or money order payable to DWD. Include your social security number and the notation "For Federal Pandemic Unemployment Compensation Overpayment."

Mail your payments to:           Unemployment Insurance
