

Summary of Comments & Responses: Chapter 11.15 Title I Services

Policy Effective August 7, 2017

1. A commenter asked why Adult and Dislocated Worker supportive services do not trigger nor extend participation.

20 CFR § 680.910 states, "Supportive services may only be provided to individuals who are: (1) Participating in career or training services as defined in WIOA secs. 134(c)(2) and (3); and Unable to obtain supportive services through other programs providing such services." TEGL 10-16 specifies the services that trigger participation are staff assisted career and training services. This applies to the Adult and Dislocated Worker Program support services, not Youth program supportive services. No changes to the policy will be made.
